MEMORANDUM FOR THE RECORD

SUBJECT: Polyglot Chinese Dictionary Project

25X1A 1. [REDACTED] advised me that examination by FDD of the proposed project reveals that it would not sufficiently aid existing knowledge to warrant support of the project. They do state, however, that the project would be a scholarly addition in the field but that the real need is for work on current terms. The project in their view deals with terms already well known and in some cases obsolete.

25X1A 2. I have advised ERS [REDACTED] accordingly and have informed
